DIVINE MERCY WEEKLY

Reflections from Diary of Saint Maria Faustina Kowalska

Meditation: *My daughter, be diligent in writing down every sentence I tell you concerning My mercy, because this is meant for a great number of souls who will profit from it (Diary, 1142).*

Jesus: *My daughter, do you think you have written enough about My mercy? What you have written is but a drop compared to the ocean. I am Love and Mercy Itself. There is no misery that could be a match for My mercy, neither will misery exhaust it, because as it is being granted it increases. The soul that trusts in My mercy is most fortunate, because I Myself take care of it (Diary, 1273).*

My Prayer Response: What a gift You have prepared for us readers in the Diary of St. Faustina . Thank You for Your encouragement to St. Faustina to keep on writing, especially about Your ocean of mercy toward the miserable.
